Dear Parents & Carers

What a wonderful week here at Windmill! The Nativity performances from our youngest children definitely filled school with Christmas joy. I am always so impressed by how confidently our children perform and sing on stage.

Best wishes

Ellie Green

In this newsletter you will find information about the following:

- Attendance Award
- Respect
- Christmas Dinner
- Cracking Christmas Celebrations!

Attendance Award

Well done Class 3ER for achieving the highest attendance last week. They will be receiving the Golden Envelope.

Any class achieving 100% attendance between Monday 14th and Monday 21st December will receive a special prize.

Respect

Bullying and disrespectful attitudes will not be tolerated here at Windmill. Please work together with us to teach your children the importance of good manners, respecting other's feelings and making a caring and positive contribution to our school community.

Christmas Dinner

Tina and her team will be serving a delicious traditional Christmas dinner on Wednesday 16th December. If your child does not normally have a school lunch but would like to try one, they are very welcome. A school meal costs £1.70 for those who usually pay.

Cracking Christmas Celebrations!

Our last day of term is **Monday 21st December** and we want it to be spectacular!! So, the day will begin with ACE and special awards assemblies followed by Christmas carols, to which you are all warmly invited. Then, a variety of party games, crafts and activities have been planned to fill the day with festive fun. Some of our Year 5 and 6 children have been preparing special activities to share with our youngest children.

All children are invited to wear their favourite party clothes on Monday 21st.

Also, a **free** party lunch of pizza and chips followed by jelly and ice cream will be served to **all** children (no need to prepare packed lunches)!

Hopefully this will be a great opportunity for everyone to celebrate achievements so far this year, and for you to get those last minute jobs completed at home ready for the Christmas break!
