Dear Parents & Carers

Welcome back! I hope you all had a lovely half term break.

As usual, your children have settled in brilliantly back at school and are enjoying some fabulous learning.

We had a special visit from Neil Spencelayh, one of L.E.A.D. Directors, on Thursday. He was incredibly impressed by the learning and behaviour of our children and commented on the lovely warm atmosphere in our school and the developments across the school since his last visit in the Summer Term. I felt very proud to show off our exciting learning community.

Best wishes,

Ellie Green
Head Teacher

In this newsletter you will find information about the following:

- Welcome Miss Burton
- Remembrance Poppies
- Attendance Award
- Firework Safety

Welcome Miss Burton

I am delighted to welcome Miss Rachel Burton to our school as an Assistant Head Teacher. Miss Burton joins our leadership team to lead and support the development of teaching and

learning and is currently working with children and teachers in KS2. Miss Burton has achieved the prestigious status of SLE (Senior Leader of Education) for her outstanding contribution to teaching and training other teachers. She is already a great asset to our Windmill team.

Remembrance Poppies

The whole school will observe two minutes silence at 11am on 11/11/15 to pay respect to those brave men and women who have died or been injured in war. We also remember that the poppy is a symbol of hope for a peaceful future. Year Six children will be selling poppies and small items such as rulers and wristbands with the poppy emblem for 50p or £1 to raise money to donate to the British Legion. These will be on sale at the start and end of the day on Monday and Tuesday next week.

Attendance Award

Well done Class 6LR for achieving the highest attendance last week. You will be receiving the Golden Envelope.

Any class who achieves 3 weeks of 100% attendance this term will receive a special prize.

Firework Safety

As Bonfire night celebrations may be continuing over the weekend, please remember the firework safety code. Our Year Four children have been doing some persuasive writing about fireworks. Take a look at the examples of their work on the reverse of this newsletter!
