Introductions

Congratulations on being voted as School Councillor to represent your class for the 2019-2020 school year. We introduced ourselves and discussed what School Council is and what our role is at Windmill.

We created a definition for School Council and put together some ideas on how we could improve the school – starting fresh with some new ideas!

Discussion:

What is student council and what is our responsibility?

- Voices for the class and hold meetings bi-weekly to discuss current events and ideas.
- Help to improve the school and create a positive learning environment.
- Lead by example, be a role model and represent all students. Be helpful, involved and a friendly face to everyone in the school.
- Team of students to help the school and listen to our peers

Students knew that this was a way pupils and staff communicate about important decisions or ideas. This way, adults are listening to what we and our classmates have to say using our ideas to influence actions within the school.

Action points:

- Students were very vocal about the tuck shop, asking about next steps and if they can help out.
- Discussed play fighting outside, will feedback next week about how the toys are helping with less fighting.
- **Went away and asked their peers how they could improve Windmill, this can help form some ideas for our new action plan.**
