Points from last meeting

Well done on a very successful International Day – I heard you did a fantastic job!

Stuck School Council Action Plan 2019-2020 into books.

Discussion:

Discussed break time points – could school counsellors give out TrackIt points outside as well wear their hi vis jackets?

Students thought that this might eliminate play fighting and silliness if students know they could be rewarded from one of their peers.

Points to be given out for peers who are using toys/playing appropriately.

Miss Aggus joined SC meeting to discuss inclusion at Windmill and how SC members could be Inclusion Leaders.

All SC members liked the idea of being Inclusion leaders – taking on more of a role on the playground.

What does inclusion mean? How might we show this at Windmill?

- Including others and showing respect, ensuring all students can access and be involved inside and outside the classroom

Miss Aggus talked about Makaton with the students and how using the signs with students can help to their communication and learning. We talked about perhaps teaching a few new signs to the SC and then they feed this back and teach their class. (1-2 new signs taught every meeting?)

Action points:

SC members to hand out TrackIt points to students on the playground during break time, RP sorted points after discussing in assembly and gave to class teachers/SC members to then hand out.
