

Learning Project WEEK 1 - My Family

Age Range: Y4

| Weekly Maths Tasks (Aim to do 1 per day) | Weekly Reading Tasks (Aim to do 1 per day) |
|---|--|
| <ul style="list-style-type: none"> Working on Times Table Rockstars - your child will have an individual login to access this (20 mins on SOUND CHECK). I will be setting regular battles so keep playing regularly! Which class will win the Battle of the Bands?! Play on Hit the Button - focus on number bonds, halves, doubles and times tables. Adding totals of the weekly shopping list or some work around money. This game could support work on adding money. Practise telling the time. This could be done through this game (scroll down to access the game). Read to the quarter hour and the nearest 5 minutes. Get a piece of paper and teach a family member everything you know about Addition. This could be pictures, diagrams, explanations, methods etc. You can be as creative as you want to be. Here is a link to a video to help you if you need a recap: https://www.youtube.com/watch?v=hwxyheQNXBU Practise counting forwards and backwards from any given number in steps of 1000. Can you challenge yourself to count backwards past zero? | <ul style="list-style-type: none"> You could share a story together. This could be a chapter book where you read and discuss a chapter a day. Listen to your child read and let them discuss what they have read. Encourage them to read with expression and intonation. Watch Newsround and discuss what is happening in the wider world. Explore new vocabulary you find when reading. What are the origins of this word? Can it be modified? Can you find any synonyms or antonyms for your new word? With your child, look in magazines, newspapers and books for new vocabulary they are unfamiliar with. They could use a highlighter to highlight in magazines and newspapers. I know lots of enjoy reading books written by David Walliams (4HM – you’ve listened to and enjoyed lots of his stories this year! 4AP – we would highly recommend his books if you enjoy funny stories!). Here is a link to a new audiobook by David Walliams that you could listen to: http://soundcloud.com/harpercollinspublishers/the-worlds-worst-children-2-3/s-zhqpqlifkuv |
| Weekly Spelling Tasks (Aim to do 1 per day) | Weekly Writing Tasks (Aim to do 1 per day) |
| <ul style="list-style-type: none"> Practise the Year 3/4 for Common Exception words. Practise your spelling on Spelling League. A few children have already started earning points and so has Miss Mahmood! Can you beat her?! Choose 5 Common Exception words. Write synonyms, antonyms, the meaning and an example of how to use the word in a sentence. Star challenge: can you research the etymology (origins or where words come from) of these words? Choose 5 Common Exception words and practise spelling them using forwards backwards. Write the word forwards then write the words backwards, e.g. forwards sdrawrof | <ul style="list-style-type: none"> Write a recount of your day. This could be used in history one day to show what happened during this period. Write a character description of a member of your family. What do they look like? How do they behave? etc... Write a story involving members of your family. Do they have to defeat a monster? Or find something they have lost? Write a set of family rules. Could they begin with ‘We always.....’ rather than ‘We do not’ Write a letter/email/ text message to a member of their family that you have not seen this week. Take part in a writing master class. I’m sure lots of you will enjoy this very much! |

Learning Project - to be done throughout the week

The project this week aims to provide opportunities for your child to gain a better understanding of their own family. Learning may focus on what different makeup of families, what traditions your family has, stories linked to your family etc.

- **Let's Wonder:**

Who is in your child's immediate family? What other relatives do they have? How does their family link together? How many people do they have in their family? Why not spend time looking through old photos and talking about the people in their families. What family stories can they tell? How is life different to their parents? grandparents?

- **Let's Create:**

Create a piece of artwork entitled 'Family'. This could be a drawing, a self portrait, a sculpture or collage. Could they copy another artist's style? Which materials have they chosen to use and why? How do they feel about their piece of artwork? What would they change or not? [Family portraits.](#)

- **Be Active:**

[Go Noodle](#) with the family or have a family workout. Fancy a dance? There are lots of dance videos they could try. [Dance](#). Maybe try some [Yoga](#). **Recommendation at least 2 hours of exercise a week.**

- **Time to Talk:**

Perhaps they could play a board game, facetime a member of their family they have not seen this week, enjoy a family indoor picnic or have a family dinner.

- **Understanding Others and Appreciating Differences:**

Discuss how their family is different to other people's families. Discuss whether all families are the same? Does it matter? Do all families have the same faith? Do all families worship in the same way?

- **Reflect:**

Find out what music their family members enjoy. Do they like the same music? What is their favourite song? They could listen to different pieces of music together with their family. Do they like/dislike any particular types of music and why? Can they identify the instruments they can hear and describe how the music makes them feel? Why not get them to listen to some of the [classics](#)?

Additional learning resources parents may wish to engage with

[Classroom Secrets Learning Packs](#) - These packs are split into different year groups and include activities linked to reading, writing, maths and practical ideas you can do around the home.

[Twinkl](#) - to access these resources click on the link and sign up using your own email address and creating your own password. Use the offer code UKTWINKLHELPS.

[Headteacherchat](#) - This is a blog that has links to various learning platforms. Lots of these are free to access.
