When you got hungry,

what would you eat?

What should I start with?

Jelly and ice-cream!

And pancakes!

## There's a tiny caterpillar on a leaf song

(To the tune of She'll be coming 'round the mountain)

There's a tiny caterpillar on a leaf (wiggle, wiggle)  
There's a tiny caterpillar on a leaf (wiggle, wiggle)  
There's a tiny caterpillar, tiny caterpillar,  
There's a tiny caterpillar on a leaf (wiggle, wiggle)

He will eat the leaves around him 'til he's full (munch, munch)  
He will eat the leaves around him 'til he's full (munch, munch)  
He will eat the leaves around, eat the leaves around  
He will eat the leaves around him 'til he's full (munch, munch)

A cocoon is what he's spinning for his home (spin, spin)  
A cocoon is what he's spinning for his home (spin, spin)  
A cocoon is what he's spinning, cocoon is what he's spinning,  
A cocoon is what he's spinning for his home (spin, spin)

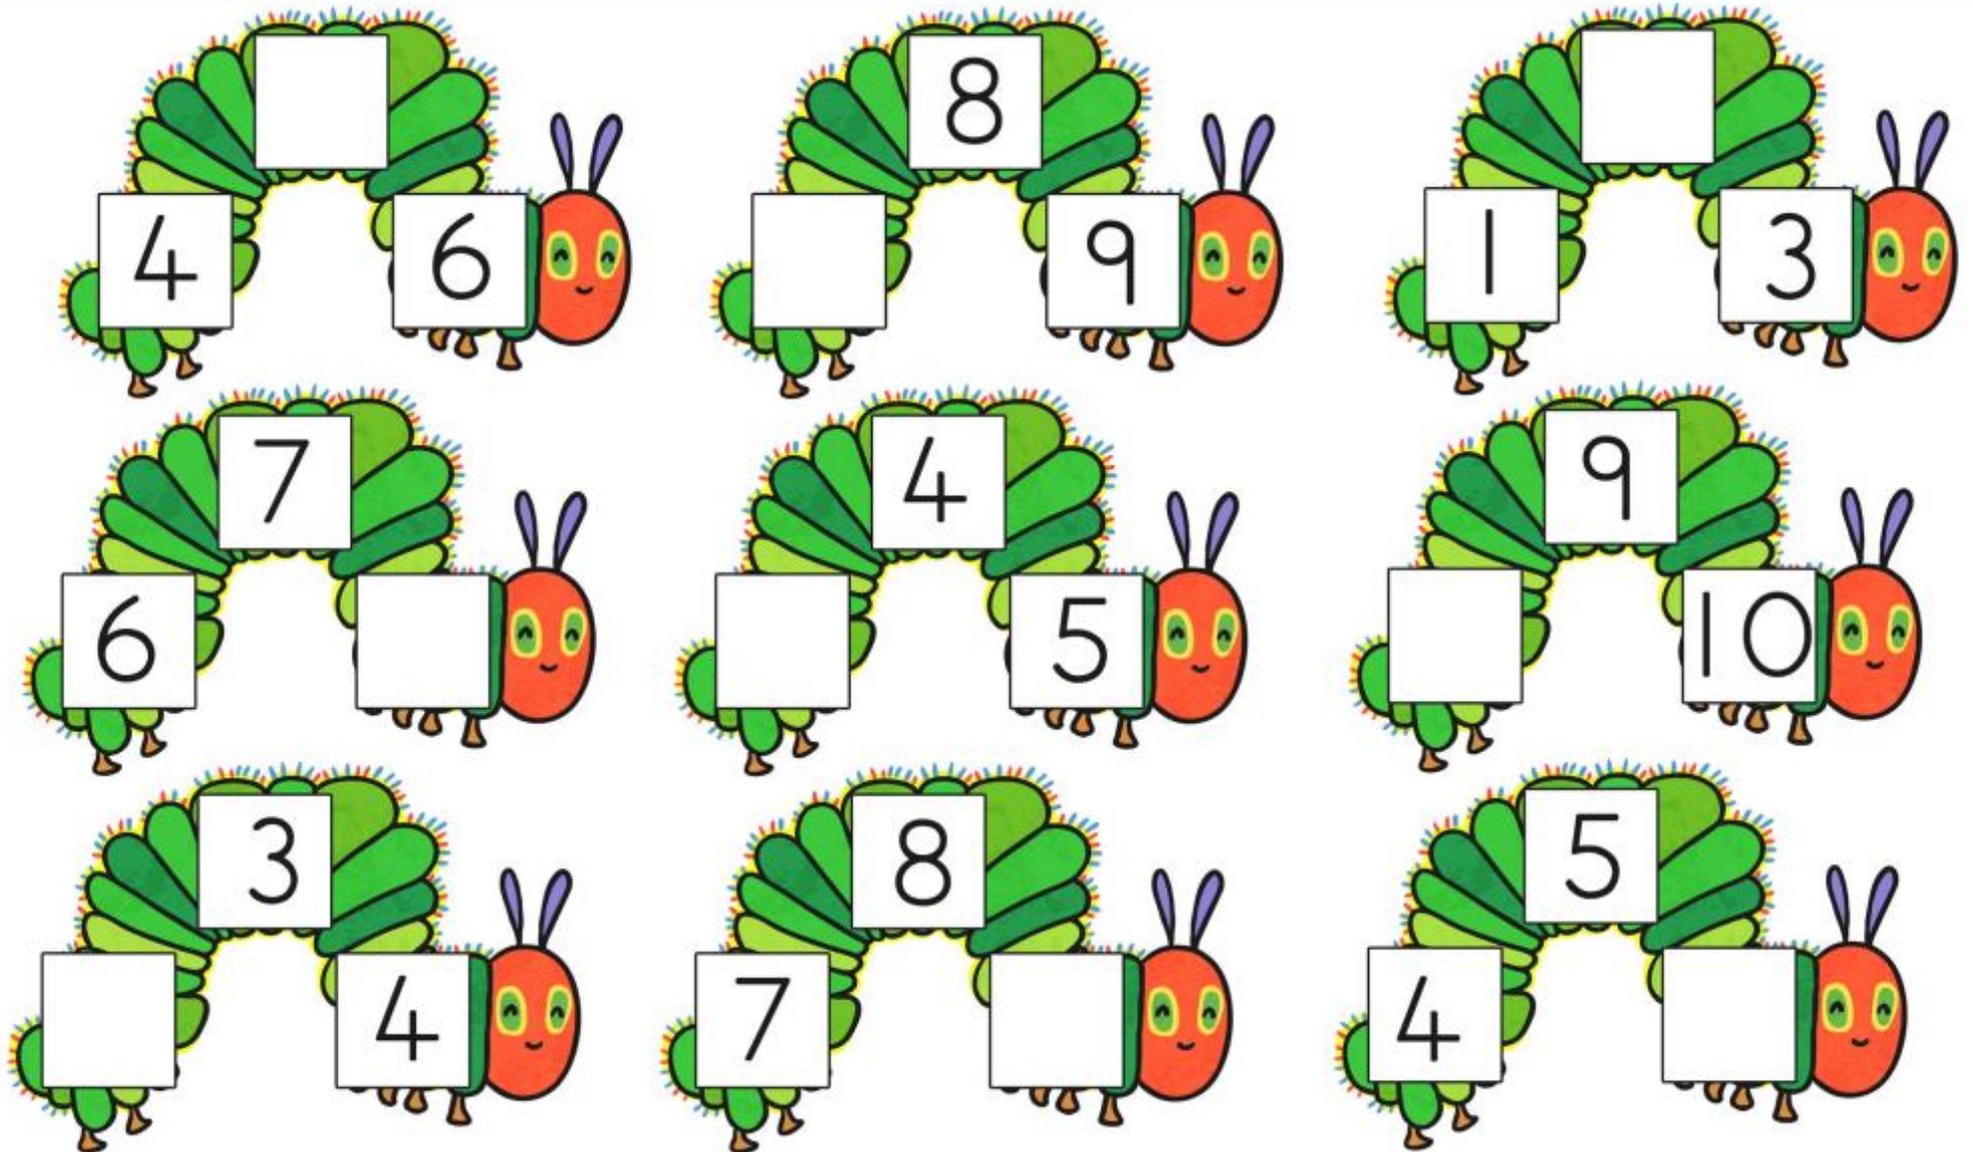

Then he'll be a butterfly and flap away (flap, flap)  
Then he'll be a butterfly and fly away (flap, flap)  
Then he'll be a butterfly, be a butterfly,  
Then he'll be a butterfly and fly away (flap, flap)  
(wiggle, wiggle)

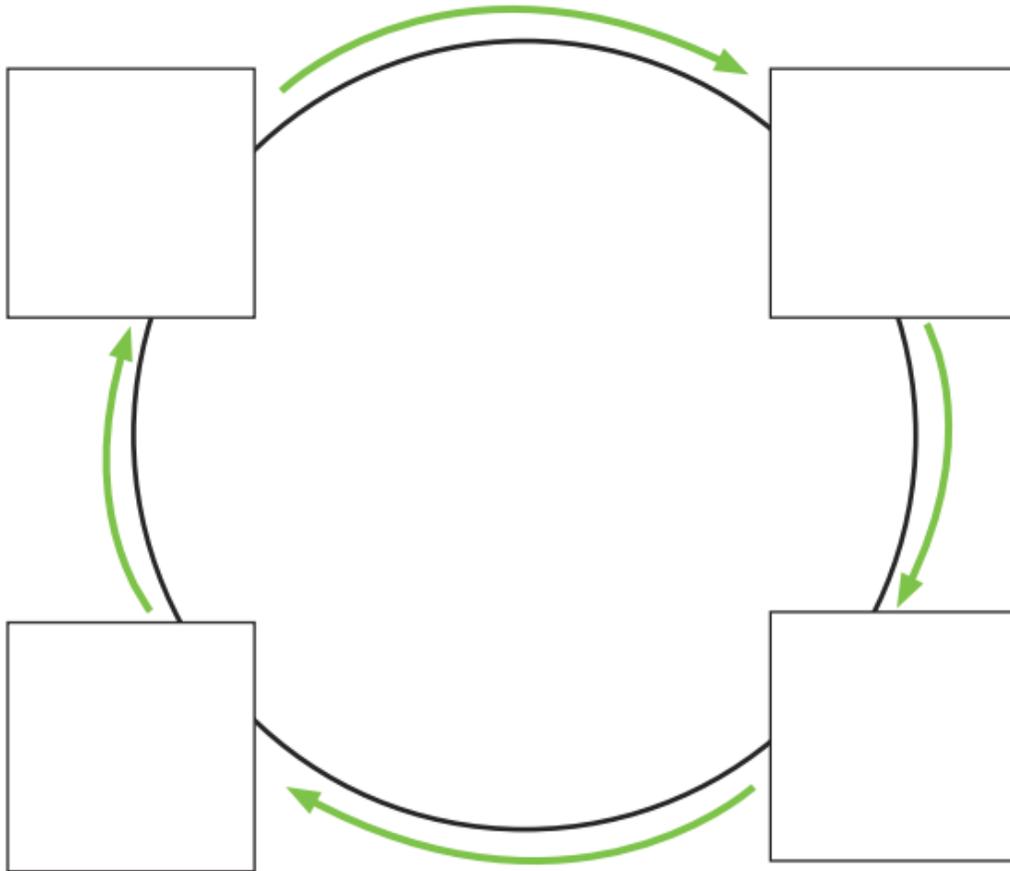

So that tiny caterpillar went like this  
(wiggle wiggle, munch munch, spin spin, flap flap)  
So that tiny caterpillar went like this  
(wiggle wiggle, munch munch, spin spin, flap flap)  
So that tiny caterpillar  
That tiny caterpillar  
That tiny caterpillar went like this  
(wiggle wiggle, munch munch, spin spin, flap flap)

# Number Sequencing Caterpillars

# Butterfly Life Cycle

Can you cut out the pictures and stick them into the squares to complete the life cycle of the butterfly?
