

Art: Year 2
D: Computer Art

Previously, I have learnt...

In Year 2, I am learning..

In the future, I will learn..

My future...

• How to use the simple features of a computer paint program

* How to select the brush, pen and fill tools, along with other mark-making tools

* To use a wider range of tools available on the computer paint program

*To make simple marks using a computer paint program

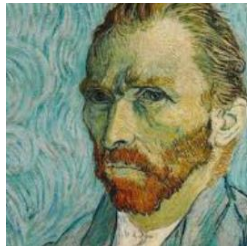

*To use mark-making tools to create an visually pleasing effect

* To use the paint program to edit and enhance work

* To create computer art that combines my own work and is inspired by that of others
