

Science: Key Knowledge

- There are lots of common plants and trees in our environment and they all have a special name.
- Every species of plant and tree is different. You can find out the name of each species if you know what colour and shape their leaves and petals are.
- Each plant and tree needs soil, sunlight and water to grow.

Vocabulary

- | | |
|----------|--------|
| root | petal |
| stem | fruit |
| leaf | bulb |
| flower | branch |
| sunlight | trunk |
| water | plant |
| nutrient | seed |

Art: Key Knowledge

- Artists sometimes get their ideas from things and people they see and hear in everyday life.
- Artists use drawing, painting, collage and sculpture to show how they feel.

Clay techniques to try

- rolling
- squeezing
- carving
- joining

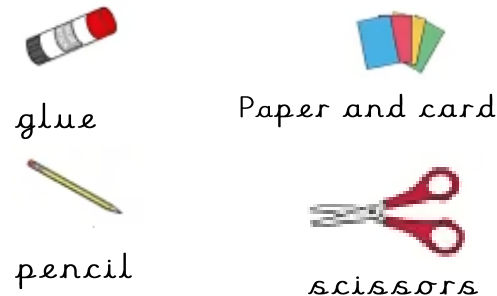

Vocabulary

- | | |
|-----------|----------------|
| drawing | stippling |
| painting | hatching |
| collage | cross-hatching |
| sculpture | |

DT: Key Knowledge

- Many different products are already made and these can be used to develop new specific products.
- Certain materials can be used for a variety of different things—some are more suitable than others for specific jobs.
- Before making a product it is important to design it first.

Tools and Equipment

Vocabulary

- | | |
|----------|-----------|
| design | equipment |
| plan | safe |
| develop | research |
| evaluate | materials |
| product | |

History: Key Knowledge

- Using the terms 'Then' and 'Now' can help to compare the changes that have taken place within different time periods.
- Understanding different time periods can help us to think about why people may have acted the way they did.
- We celebrate Bonfire Night because of the actions of Guy Fawkes hundreds of years ago.

Guy Fawkes

King James I

Vocabulary

past	Guy Fawkes
history	gunpowder
timeline	plot
events	Bonfire night
order	

Geography: Key knowledge

- The geography of our school can be studied by using simple fieldwork and observation.
- Simple language like 'near' and 'far', 'left' and 'right' helps to work out locations and follow directions.
- Drawing simple maps using labels and markers and help us study the geography of a real or imagined place.

near in between
 far above below

Vocabulary

observe	key
North	marker
South	map
East	near
West	far

Timeline of The Gunpowder Plot

2th March 1603

20th May 1604

March 1605

5th November 1605

31st January 1606
