

## Science: Key Knowledge -Uses of everyday materials

- Everyday materials: plastic, cardboard, wood, metal, brick, rock, glass and paper.
- Materials can be described as strong, stiff, flexible, transparent and waterproof.
- We can make the shape of some objects change by squashing, bending, stretching and twisting the materials they are made from.
- Objects are made from materials based on their properties.

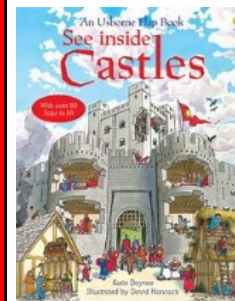

## Vocabulary

bend	properties
stretch	solid
twist	changes
squash	
material	
shape	
object	

## History Key Knowledge: -The History of Castles

- Books, artefacts and the internet show us how things have changed over the years and that things in the past are sometimes different to how things are now..
- Different people think different things and have their own opinions about events that have happened in the past.
- Events from the past might have happened for more than one reason.
- Castles can be similar and different. Some have a keep and some don't or some are Motte and Bailey castles and some aren't.

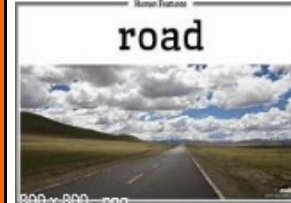

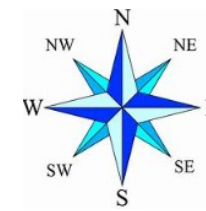

## Vocabulary

castles	changes
past	chronological
sources	enquiry
similarities	moat
differences	portcullis
compare	drawbridge
events	battlements
towers	

Geography Key Knowledge -Location of castles and capital cities of UK countries.

- Find North, South, East and West on a map.
- The countries of the UK and their capital cities are England (London), Scotland (Edinburgh), Wales (Cardiff) and Northern Ireland (Belfast). The surrounding seas are th English Channel, the Irish Sea and the North Sea.
- Name some natural (made by nature) and human (man made) features of our school environment, through observation and aerial photographs.
- Physical features are feature that are naturally on earth.
- Human features are things made by humans.

Vocabulary

atlas,	Channel,
compass,	North Sea,
map,	Irish Sea,
UK,	physical,
England,	natural,
Scotland,	man made,
Wales,	human,
N. Ireland,	features,
capital cities,	aerial,
location,	country,
compare,	different,
British	similar

Art and Design: Key Knowledge-Sculptures of castles

- Using hands and tools, create a clay sculpture of a castle with towers, battlements and towers.
- Use pictures from books, the internet and photographs to see what a castle looks like, so we can create a clay sculpture of one.

Vocabulary

record
castle
clay
tools
sculpture
effect
explore
observation
experience
imagination
