

D&T end of year expectations – Year 1 – All, Most and Some	
A Cooking & Nutrition	<p>1: ALL: I can name a variety of foods and know a few which are good or bad for me. MOST: I can recognise foods that are good or bad for me. SOME: I understand the importance of a varied diet and can explain why a food may healthy or may not be healthy.</p>
B DESIGN	<p>1. ALL – I can describe how something works.</p> <p>2. ALL: I can discuss and make simple plans before making objects.</p> <p>1. ALL: I can generate and develop my ideas by talking or drawing. MOST: I can generate and develop my ideas through discussion and evaluation of previous products. SOME: I can generate, develop and summarize my ideas through independent research of previous products.</p>
C MAKE	<p>1. ALL- I can make a product that moves from a given starting point. MOST- I can make a product that moves. SOME- I can make a product that moves, explaining how the moving part works.</p> <p>2. ALL- I can select from, and use, a range of materials and components e.g. construction material, textiles and ingredients. MOST- I can select from a range of given appropriate materials and components and explain why I have chosen them. SOME: I can suggest my own appropriate materials and components and explain why I have chosen.</p> <p>3. ALL- I can use my cutting tools safely. MOST- I can use my cutting tools safely and independently. SOME- I can use my cutting tools safely to cut out more complex designs.</p>
D EVALUATE	<p>1. ALL- I can look at current products and recognise what they are for. MOST: I can look at current products and recognise what they are for, how they work and why. SOME- I can look at current products and recognise what they are for, how they work and why. I can use this knowledge to contribute to a future design.</p> <p>2. ALL- I can explain what went well with my work. MOST- I can explain what went well with my work, and how I would improve it. SOME- I can explain what went well with my work and others, work and how to improve it.</p>

E
TECHNICAL
KNOWLEDGE

1. ALL- I can select materials and say why I have chosen them.
MOST- I can select materials based on their properties.
SOME- I can explain why I have chosen a specific material drawing on knowledge of the properties it has.
2. ALL- I can select an appropriate adhesive based on the materials I am using.
MOST- I can select an appropriate adhesive based on the materials I am using and say why I am using it.
SOME- I can suggest alternative adhesives to use.
